

2026 EVENTS CALENDAR

Where Innovation Meets Global Collaboration

Manufacturing by Informa presents a dynamic lineup of events uniting industry leaders and innovators. Our calendar features forward-thinking exhibitions and conferences designed to foster connections, inspire progress, and propel businesses toward a sustainable future in engineering and manufacturing.

From cutting-edge manufacturing expos to specialized events on emerging technologies, we offer enriching experiences for every professional. These gatherings showcase responsible practices and long-term industry solutions, providing opportunities for collaboration, knowledge exchange, and exploration of innovative approaches in the global engineering marketplace.
